

NEEPA GHOSH
Kathak danseuse par excellence

Though I have done Master of Arts in Ancient History, Kathak has been my first and enduring love and profession.

Side-by-side my academic education, I learnt Kathak (Jaipur Gharana) from respected Guru Hanuman Prasad and did Prabhakar from Prayag Sangeet Samiti, Allahabad.

I have been performing solo and with my students for more than twenty years. I also performed, with my students, at the World Culture Festival of Shri Shri Ravi Shankar at New Delhi in 2016.

I have taught at many Music and Dance schools and also given private tuitions.

Since last six years, I have been with Tansen Sangeet Mahavidyalaya.
